CATALOGO GENERALE

PRESENTAZIONE

Lo Stucchificio **Planet Stucchi**, presente sul mercato dal 2005, ha il piacere di mostrarvi la vasta gamma di prodotti rappresentata su questo catalogo.

Dal gesso, materia prima esclusivamente naturale, prendono forma gli stucchi decorativi classici, moderni e contemporanei. Una base tecnica associata all'esperienza acquisita in questi anni, risulta fondamentale nella realizzazione artigianale di prodotti innovativi di qualità.

Alla base del processo di produzione, nei nostri laboratori, vengono progettati gli stampi degli articoli destinati alla produzione sia in serie che in specifici lavori di restauro o ricostruzione.

Impegno costanza e dedizione al servizio dei nostri clienti, hanno lo scopo fondamentale di offrire un servizio adeguato secondo le esigenze di mercato.
